nature & fashion...

the brand motto!.

We prove that modernity, spirit of the time and sustainability are not opposites. The eve in paradise collection is made of high-quality natural materials, we combine relaxed sportiness, trendy casualness and modern femininity to create a contemporary, urban look.

Harmonious colour combinations, unique prints and high-quality yarns define the collection and ensure an incomparable feel-good factor and relaxed wearing comfort.

fancy attitude

An opulent color theme that will provide the necessary glamour in gray winter days. The color scheme is rich and intense, wintry chili red is contrasted with trendy bordeaux, rich honey yellow, deep khaki, soft sage and accentuated by cool black. Mix and match is the motto: feminine dresses are combined with sporty hoodies and casual chunky knits of high quality: cozy yarns have been knitted into a varied range of shapes and offer the perfect basis for a contemporary, fashionable look.
